RESPONSE TO OFFICE ACTION

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the office action mailed March 31, 2003, kindly amend the application as follows:

IN THE CLAIMS

Cancel Claims 1-4, 10, 11, 13, 17, 18, 23, 24, 26, 28 and 29 without prejudice or disclaimer of the subject matter contained therein.

5. (Amended) A method for servicing an inkjet printer including an inkjet printhead with a nozzle plate and a first service module removably installed on the printer, comprising:

identifying a printhead-related service condition not adequately addressed by servicing the printer with the first service module being in an un-worn condition;

providing a second service module with a service function different from the first service module and adapted to address said printhead-related service condition, the second service module removably installable on the printer and with respect to the first service module;

removing the first service module from the printer;
